A Number is a 2002 play by the English playwright

Caryl Churchill which addresses the subject of human cloning and identity, especially nature versus nurture. The story, set in the near future, is structured around the conflict between a father and his sons – two of whom are clones of the first one. Many critics over the years have lauded A Number, arguing Churchill created a work of significant intellectual depth with effective economy of style.

A Number | Writers Theatre

A Number is a clever play, so you can see why someone would think it was a good idea to transfer it into a TV piece. The experiment works in some respect. Tom Willkinson is good in his role, giving Salter all the qualities that make us want to like him and loath him all at the same time.

Caryl Churchill A Number

Churchill conjures an ominous near-future in which human cloning is a fact of life, albeit in its infancy. “A number” is the simple first line, spoken by a youngish man called Bernard, reeling ...

She later explored issues of identity in A Number (2002), about a father and his cloned sons. For the drama, Churchill won her third Obie for playwriting. Also in 2002 she won an Obie for sustained achievement. Her subsequent works included Love

and Information (2012) and Escaped Alone (2016).

A Number by Caryl Churchill - a philosophical analysis

Caryl Churchill wrote A Number in 2002, when debates around human cloning were at fever pitch. The frontiers of that “scary” science brought with it a barrage of ethical dilemmas around genetic...

Polly Findlay will direct Roger Allam and Colin in Caryl Churchill's two hander, A Number, at the Bridge Theatre. Previewing from 14 February and running for only 4 weeks.

A Number (TV Movie 2008) - IMDb

Caryl Churchill's play 'A Number' is about the ethics of human cloning - at least on the surface. I say 'on the surface' because to me as a philosopher, the questions she asks strike me as working at a deeper existential level. The play leaves out the debate we typically associate with cloning.
